

TANZTENDENZ

Information on studio use (as of October 31, 2025)

Any freelance choreographer working in Munich in the field of contemporary dance/performance can apply to Tanztendenz München e. V. for temporary studio use.

The association's core mission is to provide production-related and fundamental support to independent choreographers in their self-determined artistic work, research, and production under independent sponsorship.

Tanztendenz München e. V. grants two different rights of use:

- **“Production” studio use for rehearsals for an independent production**
- **“Research” studio use for open-ended work**

Studio use for “production” includes a maximum of **eight weeks** of rehearsal time per project with a maximum of **five hours per day**, or **four weeks** of rehearsal time with a maximum of **ten hours per day**. This can be spread over a period of up to six months. For effective studio scheduling, rehearsal times must be either from 10:00 a.m. to 3:00 p.m. or from 3:00 p.m. to 8:00 p.m. To enable choreographers to plan their projects in the long term, the requirements plan for the desired rehearsal times can be submitted six months before rehearsals begin. Requirement plans submitted in advance can be included in the planning with reservations, but only for half-day rehearsals. Full-day rehearsals can only be confirmed six months before rehearsals begin. If the time period is possible, feedback and a contractual agreement will be provided promptly.

The “research” studio usage includes a **maximum of three hours per day on three days a week for up to six months**. For effective studio scheduling, the hourly quota must be planned either in the morning (between 10 a.m. and 3 p.m.) or in the afternoon (between 3 p.m. and 8 p.m.). The requirements plan for the desired rehearsal times can be submitted six months before rehearsals begin. If the time period is available, feedback and a contractual agreement will be provided promptly. The specific rehearsal times can be entered seven days in advance and are binding.

A fee of **€350 (plus VAT)** is payable for studio use for **“production”** and **“research”** purposes.

There is also the option of full-day use for **up to 3 days for guest performances and revivals** for a **flat rate of €150 (plus VAT)**, or use for **up to one week (4-7 days)** for **€250 (plus VAT)**.

Please first send the completed requirements plan with any additional questions to termine@tanztendenz.de. Only then can further questions be answered.
